Investor Webinar Invitation

Australian Potash Limited (APC or the Company) (ASX: APC) is pleased to invite shareholders and prospective investors to attend an upcoming webinar presentation.

The webinar will be held via Zoom at:

12pm AEST / 10am AWST
Thursday 23rd May 2024,

Registration is available through the following link:

The webinar will be delivered by Managing Director and CEO Mr Matt Shackleton, who will be discussing the Company's recent \$2.98 million Capital Raising, with funds to be put towards an initial Air-Core (AC) drilling program at the Lake Wells gold project.

The 100%-owned Lake Wells project is located at the northern end of the Yamarna Belt of Western Australia (WA) and possesses priority drill prospects at the East and West Targets, which were identified during a review of all historic exploration including drill assays, magnetic data and structural analysis.

Additionally, the Company is progressing its Nexus rare earth elements (REE) and lithium project located in the West Arunta region of WA with Heritage and Access negotiations underway with the Tjamu Tjamu Registered Native Title Body Corporate.

The format of the webinar will include a formal presentation followed by an interactive Q&A. Webinar attendees will have the opportunity to submit questions directly to management during the Q&A session.

A recorded copy of the webinar will be made available following the event.

This announcement has been authorised for release to ASX by Matt Shackleton, Managing Director and CEO of APC.
